### BETTING ADVICE :

\$ DRIFTER : Khanjar (USA) has a 8% chance of winning the race. The Racing Post quote odds of 4/1, these represent POOR VALUE. Khanjar (USA) should be layed at this price. Should the odds increase, as anticipated, then the horse can be backed to take an Arbitrage trading position'.

Key : CR = "the Knowledge" Computer Ratings, CBO = "the Knowledge" Calculated Betting Odds.

+ = performance may be better than rated, ? = rating may be suspect or insufficient data available to make an assessment.

Betting Advice : \* = Steamer, # = Long Shot, \$ = Drifter - based on comparison of calculated and advertised betting odds.
